

## ADMISSION 2014

Funen Art Academy is offering admission on two levels

1. **Basic module: 1 - 3 study year**
2. **Higher module: 4 - 5 study year**

### 1. Admission to the basic module:

Admission to the basic module at Funen Art Academy is based on a professional artistic evaluation of the submitted work examples as well as an interview with the selected applicants. No specific prior education is required, but the student is expected to speak and read English.

### 2. Admission to the higher module:

It is a precondition for admission to the higher module that you have passed a 3-year artistic education at a higher level at a similar art academy, art college or similar institution, and that you have submitted work examples and explained in writing your reason for applying. It is expected that the student is able to speak and read English.
